Fraxel DUAL® Laser Treatment

Save \$1050

Does your skin need a deeper repair? Fraxel re:store DUAL® can provide just the correction you need. DUAL® is a safe non-invasive laser skin treatment that can resurface damaged skin and uncover the skin of your youth ~ all with minimal downtime. This treatment stimulates your body's own natural healing process, replacing the old and damaged cells with fresh, glowing, healthy skin by using microscopic laser columns that penetrate deep into the tissues.

Purchase a 4 treatment DUAL® package for the Face & Chest
and have your neck treated at no additional cost
